

Farhat,

Today is not just another day on the calendar. It is a day that the entire universe should pause and celebrate, because today is the day that Allah chose to send you into this world. And the moment you arrived, this world became a warmer, brighter, more beautiful, and more meaningful place. Your existence is not an accident. It is a divine decision made by the Most Wise, the Most Loving, the Most Perfect. Allah says in the Quran:

لَقَدْ خَلَقْنَا الْإِنْسَانَ فِي أَحْسَنِ تَقْوِيمٍ

"We have certainly created man in the best of forms."

SURAH AT-TIN, 95:4

Farhat, when Allah wrote those words, He was describing people like you. You are living, breathing proof that Allah creates with absolute perfection, with purpose, and with love. Every detail about you – your personality, your heart, your mind, your soul – was carefully and beautifully designed by the One who makes no mistakes. You were not just born today. You were gifted to this world today.

On this incredibly special day, I want to take a long, deep, and sincere moment to remind you of something that you perhaps already know but never truly hear enough – you are extraordinary. Not in an ordinary way, not in a passing compliment kind of way, but in the deepest and most genuine sense of the word. You are the kind of person that Allah describes when He says:

وَمِنْ آيَاتِهِ خَلْقُ السَّمَاوَاتِ وَالْأَرْضِ وَخَلْقُكُمْ وَأَلْوَانُكُمْ

"And among His signs is the creation of the heavens and the earth and the diversity of your languages and your colors."

SURAH AR-RUM, 30:22

You, **Farhat**, are one of Allah's most beautiful signs. Your uniqueness, your character, your presence – all of it is a sign of Allah's endless creativity and love.

You are the kind of person who walks into a room and changes its entire energy. The moment you arrive, something shifts. The air feels lighter, the atmosphere feels warmer, and people feel more at ease. Your smile — oh, your smile — it carries a warmth that no sunshine in this world can match or replicate. It is the kind of smile that makes people forget their worries even if just for a moment. And your laughter — your laughter is one of the most genuine and joyful sounds in this world, the kind that stays in a person's memory and heart long, long after the moment has passed. The Prophet ﷺ said:

لَا تُبَالِغْ فِي كَرَمِكَ وَفِي إِحْسَانِكَ إِلَى أَخِيكَ بِوَجْهِكَ الْبَهِيجِ ، فَإِنَّهُ يَنْفَعُكَ فِي شَيْءٍ

"Do not consider any act of kindness insignificant, even meeting your brother with a cheerful face."

— SAHIH MUSLIM

Farhat, every single day, without even trying, you live this hadith fully. Your cheerful presence, your warm energy, and your genuine smile are acts of kindness that touch people more deeply than you will ever know.

There is something so rare and so precious about you that is genuinely difficult to put into words. It is a combination — a perfect, almost impossible combination — of grace, beauty, kindness, intelligence, strength, and warmth, all existing together in one person. Most people carry one or two of these qualities. But you, **Farhat**, you carry all of them, and you carry them so effortlessly, so naturally, so beautifully, as if Allah personally made sure that you would be complete in every way. And that is because He did. Allah says:

وَمَا جَعَلْنَاكَ إِلَّا خَلْقًا مَّعْشُورًا

"And He has perfected you in form and provided you with good things."

SURAH GHAFIR, 40:64

This verse speaks of you, **Farhat**. You have been perfected in form — inside and outside, in character and in spirit.

Your beauty, **Farhat** — let me talk about your beauty, because it deserves to be spoken about in full. Yes, you are absolutely, undeniably, and genuinely gorgeous. Anyone who has ever seen you knows this. But your physical beauty, as stunning as it is, is only the surface. It is the door that leads to something even more breathtaking inside. What truly makes you beautiful beyond any comparison is your heart. It is the way you love the people in your life with such sincerity and depth. It is the way you care — not just on the outside, not just with words, but genuinely, deeply, and fully. The Prophet ﷺ said:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

"Verily, Allah does not look at your appearance or your wealth, but He looks at your hearts and your deeds."

— SAHIH MUSLIM

Farhat, your heart is one of the most beautiful things about you. It is the kind of heart that Allah loves — soft, sincere, caring, and full of goodness.

You are the kind of person that people feel genuinely lucky and blessed just to know. Being your friend is one of the greatest gifts that a person could ever receive. The Prophet ﷺ said:

الْحَسَنُ بْنُ عَلِيٍّ رَضِيَ اللَّهُ عَنْهُ قَالَ: مَنْ كَانَ صَاحِبَ قَلْبٍ نَافِلٍ كَثُرَتْ لَهُ الصَّدَقَاتُ.

"A good friend is like a perfume seller — even if he does not give you any perfume, you will still benefit from sitting near him."

— SAHIH AL-BUKHARI

Farhat, you are the perfume seller in this hadith. Your presence alone, your company alone, your friendship alone is a blessing that fills the hearts of those around you with something beautiful and fragrant that never fades. The Prophet ﷺ also said:

مَنْ كَانَ مِثْلَ بَائِعِ الْمِسْكِ كَانَ لِقَوْلِهِ خَيْرٌ مِنْ مِثْلِ مَنْ بَلَغَ الْبَلَاءُ وَكَانَ يَنْفُخُ فِي نَفْثِهِ.

صَحِيح

"The example of a good companion and a bad companion is like that of the musk seller and the one who blows the bellows."

— SAHIH AL-BUKHARI & MUSLIM

You, **Farhat**, are the musk. Pure, beautiful, and a blessing to everyone near you.

Now let me talk about something that makes this birthday of yours even more remarkable than any other birthday in the world. Because today, on the very day that you were born, you are not sleeping in or celebrating lazily. Today, you are waking up, putting on your strength, and walking into an examination hall to sit for your NEET examination – to fight for your dream, to chase your destiny, to take the biggest step toward becoming a doctor. And **Farhat**, I want you to truly understand how incredibly, deeply, and profoundly beautiful that is. Most people would wish their birthday was any other day. But not you. You show up. You face the challenge head on. You carry your birthday and your battle on the same day with the same heart, and that says everything about the kind of person you are. Allah says in the Quran:

مَنْ سَارَّ سِرًّا فَلْيَسِرْ سِرًّا طَيِّبًا وَمَنْ نَجَّاهُ فَهُوَ رَحِيمٌ

"And whoever strives, strives only for himself."

SURAH AL-ANKABUT, 29:6

Farhat, every single night you stayed up late studying, every morning you woke up tired but opened your books anyway, every moment you chose discipline over comfort, every chapter you revised when your eyes were heavy and your mind was exhausted – all of that, every single bit of it, was for you. It built you. It shaped you. And Allah does not let any of that go to waste. He says:

وَمَا كُنَّا بِمُعْجِزِينَ لَكَ يَوْمَ الدِّينِ

"Indeed, We will not allow to be lost the reward of any who did well in deeds."

SURAH AL-KAHF, 18:30

Your hard work is not lost, **Farhat**. Not a single hour of it. Not a single page of it. Allah saw every moment of your struggle and He has already written your reward. The Prophet ﷺ said:

مَنْ سَلَكَ سَبِيلَ عِلْمٍ فَهُوَ سَلَكَ سَبِيلَ الْجَنَّةِ

"Whoever follows a path in pursuit of knowledge, Allah will make easy for him a path to Paradise."

— SAHIH MUSLIM

Farhat, the knowledge you are pursuing is one of the most noble forms of knowledge that exists. You are studying to become a healer. You are preparing yourself to carry the weight of human life in your hands – and that is one of the greatest honors Allah can give a person. The Prophet ﷺ also said:

"There is no disease that Allah has created, except that He also has created its treatment."

— SAHIH AL-BUKHARI

One day, **Farhat**, you will be part of delivering that treatment. You will be part of Allah's mercy reaching His creation. That is who you are becoming, and it is the most beautiful thing.

So today, as you sit in that examination hall with your pen in your hand and your dream in your heart, remember this — Allah is with you. He says:

وَمَا يَكُنْ لَهُ كُفٌ يَوْمَ الْقِيَامَةِ

"And He will provide for him from where he does not expect. And whoever relies upon Allah — then He is sufficient for him."

SURAH AT-TALAQ, 65:3

Trust that decreed extent, **Farhat**. Trust that every answer you write, every question you face, and every second you spend in that hall is already under Allah's care and wisdom. Go in with full tawakkul — full reliance on Allah — and know that what is meant for you will never miss you. The Prophet ﷺ said:

مَنْ تَوَكَّلَ عَلَى اللَّهِ فَسَوْفَ يَكْفُلْهُ اللَّهُ

مَنْ تَوَكَّلَ عَلَى اللَّهِ فَسَوْفَ يَكْفُلْهُ اللَّهُ

"Know that if the whole world were to gather to benefit you, they would not benefit you with anything except that which Allah has already decreed for you."

— JAMI' AT-TIRMIDHI — SAHIH

So be at peace, **Farhat**. Your destiny is in the most capable, the most loving, the most merciful hands. Allah also says in the Quran:

وَمَا يَكُنْ لَهُ كُفٌ يَوْمَ الْقِيَامَةِ

"So, verily, with every difficulty, there is relief. Verily, with every difficulty there is relief."

SURAH ASH-SHARH, 94:5-6

Notice how Allah repeated it twice, in the same breath, in the same moment — because He wants you to know, beyond any doubt, that no matter how hard the journey has been, no matter how heavy the pressure of today — relief is already here with you, right now, in this very moment. You have already earned it through your struggle. Now go and claim what belongs to you.

On this day, I also want you to pause — even for just one quiet moment — and truly, deeply appreciate yourself. Not just your achievements, not just your studies, but you — as a person, as a soul, as a human being. You work harder than most people will ever understand. You give so much of yourself to your goals, to your family, to your friends, to everything you love — and you do it all with such grace and such sincerity. Sometimes the most hardworking, most giving people are the ones who forget to appreciate how far they have come — so let this birthday be your reminder. Look back at the girl you were and look at the woman you are becoming, and know that the distance between those two points is filled with nothing but courage, strength, and beautiful growth. The Prophet ﷺ said:

يَا فَرْهَاتُ اِذَا رَأَيْتَ اَنْفُسَكَ فَارْزُقْهَا

"Make use of five before five — your youth before your old age, your health before your sickness, your wealth before your poverty, your free time before your preoccupation, and your life before your death."

— MUSTADRAK AL-HAKIM — SAHIH

Farhat, you are living this hadith in the most complete and beautiful way. You are using your youth, your energy, your time, and your life to build something real, something meaningful, something that will last. And Allah sees all of it.

I pray from the very deepest, most sincere corner of my heart that Allah blesses you with a life so full and so beautiful that your heart overflows with gratitude every single day. May He make today's NEET examination the easiest thing you have ever done. May He calm every nerve in your body, bring peace to your heart, sharpen your memory beyond what you even expect, and guide your hand to every single correct answer. May He open the doors of the very best medical college for you — because **Farhat**, the world does not just need doctors. The world needs doctors with hearts like yours — hearts full of genuine care, compassion, warmth, and love. And you are going to be one of the greatest. The Prophet ﷺ said:

"The best of people are those who are most beneficial to people."

— AL-MU'JAM AL-AWSAT — HASAN

Farhat, you are already one of the best people. And the doctor you are becoming will make you even more so — because you will spend your life being beneficial to people in one of the most direct, most important, and most beautiful ways imaginable.

Today is your day, **Farhat**. Own it. Feel it. Cherish it. Breathe it in. Know that you are loved, you are appreciated, you are admired, and you are prayed for — genuinely, deeply, and always. Know that this world is a better, brighter, and more beautiful place simply because you are in it. And know that the future, your future, is going to be nothing short of extraordinary, because Allah does not create someone as special as you without a purpose that is equally extraordinary.

Barakallahu Feeki, **Farhat**. May Allah bless you in every breath you take, every step you make, every page you turn, every life you one day save, and every single moment of your beautiful journey from this day until forever. □

Happy Birthday to the most gorgeous, most kind, most strong, most real, and most perfectly imperfect human being I know.

Allah Hafiz. Pyaari si Chudail! □□□□
